

Kirby Automat

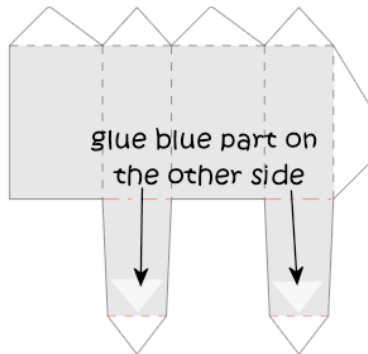

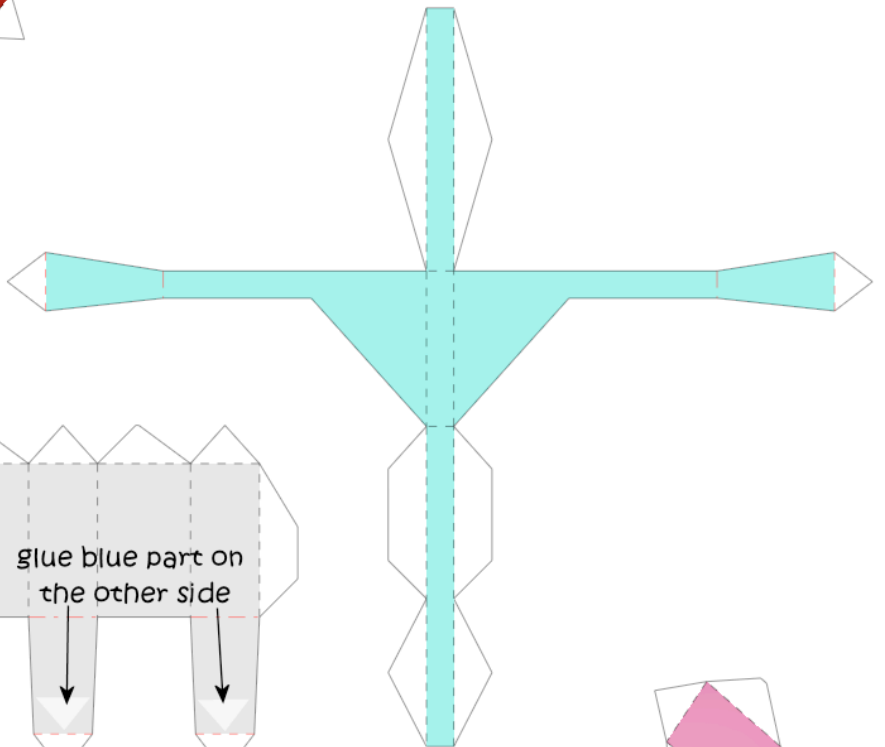

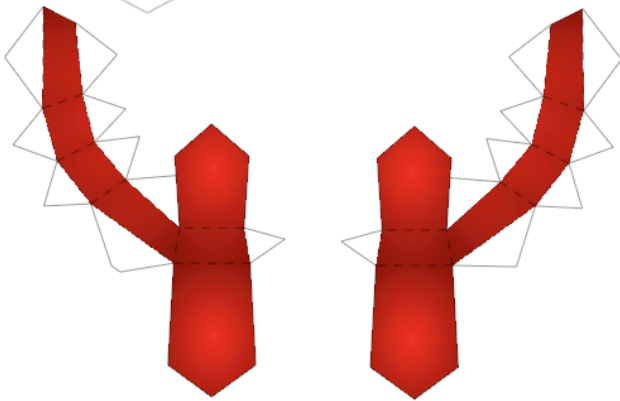

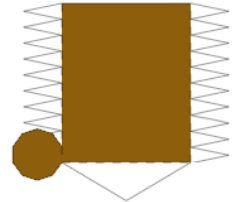

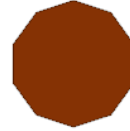

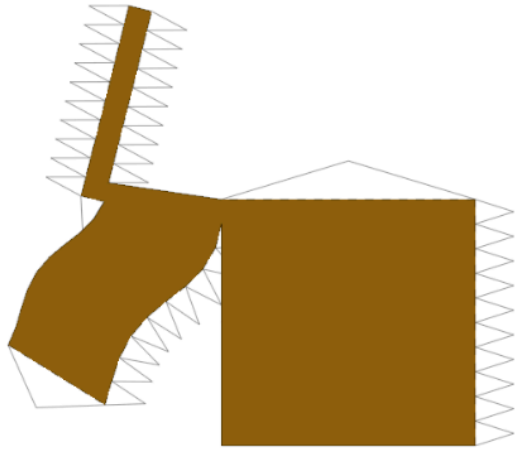

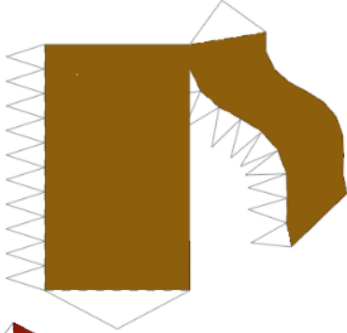

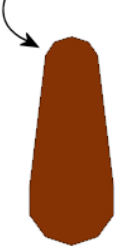

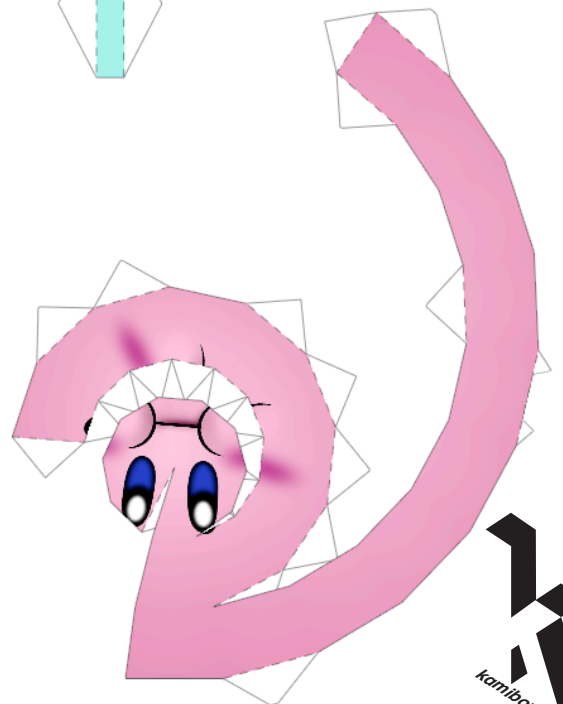

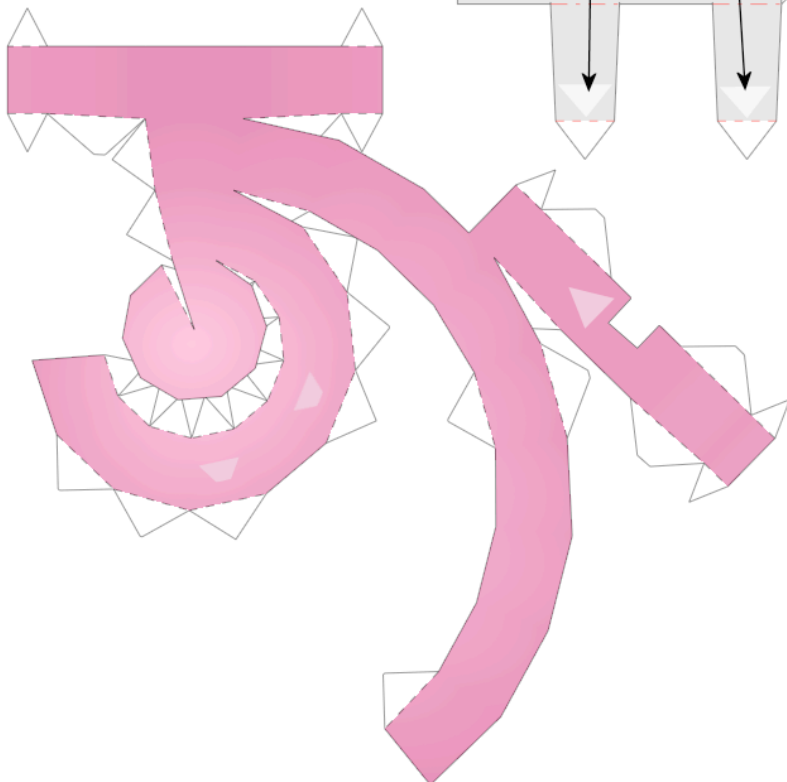

Glue this on stronger paper!

Glue this
on stronger
paper!

glue blue part on
the other side

1)

This part
is glued

glue blue part on
the other side

into

Kirby's back

3)

Glue this on stronger paper!

Be sure that you glue
the 2 brown parts in this way
together
(A valley should be created)

Also use
the refs
in the
zip-file!

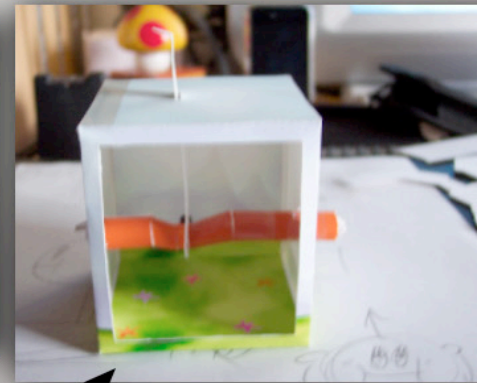

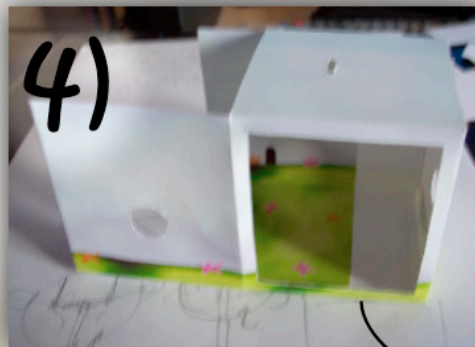

2)

This part is glued
here

This can
move

The peak has to point in the
other direction than here (mine is wrong :>)

4)

5)

Glue Kirby's back here

Glue this
red dot here

Note: The triangle is still in the wrong way here.

6)

Glue Kirby's arms and shoes.

Attach the red ring
and the handle here.
